Reservation Summary Page

The diagram illustrates a reservation summary page layout. At the top, a header area contains a central box labeled 'Logo/Title Graphic/Header' and a circular 'Profile button' on the right. Below the header is a navigation bar with six rectangular buttons. The main content area is divided into two columns. The left column, titled 'Reservation Summary', includes a 'Confirmation Number: XXXXXXXXXXXX' field, 'Check-In Time' and 'Check-Out Time' labels with input lines, and a 'Lodge Detail' section with three input lines. The right column features a placeholder box with an 'X' and a summary table with labels 'Room:', 'Guests:', 'Number of Nights:', 'Date:', and 'Total:'. At the bottom of the main content area are 'Cancel' and 'Submit' buttons. A footer area is located at the very bottom. Annotations with arrows point to the 'Profile button', 'Navigation' buttons, 'Submit' button, and 'Footer'.
